INDEPENDENT AUDITOR'S REPORT

To the members of AVR Gulmohar Welfare Association

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of **AVR Gulmohar Welfare Association** which comprise the Balance Sheet as at 31st March 2022, the statement of Income and Expenditure for the period 23rd October 2021 to 31st March 2022, Statement of Receipts and Payments for the period 23rd October 2021 to 31st March 2022 and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "Financial Statements")

In our opinion and to the best of our information and according to the explanation given to us, the aforesaid financial statements give the information in the manner so required and a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs as at 31st March 2022 and net result for the period ended on that date.

Basis for Opinion

We have conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Society in accordance with the accounting principles generally accepted in India, including the Accounting Standards issued by the Institute of Chartered Accountants of India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Society and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgements and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AS

A S AGARWAL & Co.

Chartered Accountants

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

The Management is also responsible for overseeing the Society's financial reporting process.

Auditor's Responsibility

Our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, We exercise professional judgment and maintain professional skepticism throughout the audit. we also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

A S AGARWAL & Co.

Chartered Accountants

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

AVR Gulmohar Welfare Association

Notes Forming Part of Accounts for the period from 23 October 2021 to 31 March 2022

1 Basis of accounting and preparation of financial statements

The Financial Statements are prepared under the historical cost convention as a going concern; the Generally Accepted Accounting Principles (GAAP) in India; the applicable Accounting Standards and the applicable guidelines issued by The ICAI in this regard. AVR Gulmohar Welfare Association follows Accrual basis, for accounting.

1.1 Significant accounting policies

a. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Society, and the revenue can be reliably measured. Incomes primarily consists of maintenance charges collected from flat owners and the same is accounted for on accrual basis.

b. Fixed assets

Fixed assets are stated at Original Cost less Accumulated Depreciation. Cost comprises the purchase price net of any taxes for which credit is attributable and any other cost attributable to bring the asset to its working condition for its intended use.

c. Depreciation

Depreciation on the assets is computed on the written down value method over their estimated useful lives with reference to the depreciation rates prescribed under the Income-tax Act, 1961

d. Provisions and Contingent Liabilities:

A provision is recognized when there is a present obligation as a result of past events and it is probable that an outflow will arise. It is probable that an outflow of resources will be required to settle the obligation in respect of which, a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimates required to settle the obligations at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.
